3 YEAR WARRANTY

ONYX HD7500H

The HD7500 Horizontal is a 24 inch (610mm) open-ended punch for calendar and other applications. It features the patented “quick change” die system for changing punch patterns in 30 seconds. There is a built-in die storage to conveniently store two 24 inch (610 mm) dies behind the HD7500H. It has a Pull-Out Extension Table for larger size jobs which reduces overall foot print when not in use.

The HD7500 Horizontal was designed with the operator in mind, offering quick, easy set-up including easy pin pulls and pre-set paper stop positions. The machine comes with twin motors, giving you plenty ofpower for those diffcult jobs. Add a three year warranty on the makes the HD7500 top of its class. Designed for mid to high volume commercial and corporate use.
